Scientific Responsibility Statement

I certify that I have participated sufficiently in the work to take responsibility for a meaningful share of the content of this manuscript, and I affirm that I qualify as an author based on the following ICMJE criteria:

- Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND
- Drafting the work or revising it critically for important intellectual content; AND
- Final approval of the version to be published; AND
- Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

Exception(s): _____

Exclusive Publication Statement

I certify that none of the material in this manuscript has been published previously, and that none of this material is currently under consideration for publication elsewhere. This includes symposia, transactions, books, articles published by invitation, and preliminary publications of any kind except an abstract of 400 words or less. If publication in *The Texas Heart Institute Journal* is not to be exclusive in one or more of these respects, explain the nature of the proposed exception below, in order to permit evaluation by the editors.
